

FoamaXX

Environmentally Responsible!

Biodegradable

Non-toxic

Non-corrosive

CFC Free

FoamaXX produces a thick, stable foam that clings to vertical surfaces long enough of the degreasing action to occur. It's ideal

for cleaning:

Tools & equipment

Drill bits

Machinery

Metal parts

Vent hoods

Engines

Trash receptacles

INDUSTRIAL STRENGTH

FoamaXX is an industrial strength foaming aerosol that powers away:

Grease & oil

Inks

Tar

Tape residue

Tree sap

Markers

Animal fats

Crayon

Cosmoline & wax

Adhesives

Other tough substances

SAFE TO USE

Simply spray Foamaxx directly on the surface! FoamaXX clings wherever it's sprayed and quickly dissolves tough contaminants, especially on vertical surfaces.

Safe to use on aluminum, tile, chrome, stainless steel and other aerospace, automotive and industrial parts and surfaces.

REDUCES CONCERNS

Reduces concerns about safety, the environment and regulations.

FoamaXX is biodegradable, non-toxic, non-corrosive and free of chlorinated solvents. It's the environmentally friendly alternative to hazardous solvents. Safe for workers and the environment.

AVAILABLE IN EASY-TO-HANDLE

17-ounce aerosol cans (12 per case)

FoamaXX complies with major regulatory guidelines and alleviates the confusion and concerns associated with compliance.

REPLACING HAZARDOUS SOLVENTS WITHOUT COMPROMISING EFFECTIVENESS
