

TarBuster®

Full Strength Asphalt Remover!
Petroleum distillate free
Biodegradable
Non-toxic
Non-corrosive
Water dilutable
Replaces kerosene, diesel and other hazardous solvents

FAST ACTING

Apply, and in as little as 30 seconds you'll see how TarBuster® cuts clean-up time in the toughest cleaning applications, such as:

Paving and roofing equipment
Rail cars
Tankers
Diesel engines
Pipe coatings
Vehicles
Fuel tanks (exterior only)
Tools
Asphalt extraction
Upholstery

SIMPLE TO USE

Simply apply TarBuster® directly on the surface to be cleaned. Allow one to three minutes for adequate penetration. Rinse with water (or wipe with a damp cloth) and air dry. Repeat until surface is free of contaminants. TarBuster® contains no petroleum distillates or chlorinated solvents and is the perfect replacement for glycol ether EB, kerosene, diesel fuel, and other hazardous solvents.

TarBuster®'s industrial strength formulation safely penetrates, dissolves, and removes the toughest:

Asphalt	Waxes
Heavy grease	Inks
Adhesives	Pitch
Polishing compounds	Cutting oils

REDUCES CONCERNS

TarBuster® is an effective industrial strength product, yet does not compromise workers safety. It's a perfect replacement for hazardous or petroleum distillate based products traditionally used for asphalt and grease removal.

The major component of TarBuster® is approved by the FDA as a food additive and is included in the "Generally Recognized as Safe" (GRAS) list under the Food, Drug and Cosmetic Act of 1958.

TarBuster® complies with major regulatory guidelines and alleviates the confusion and concerns associated with compliance.

AVAILABLE IN CONVENIENT SIZES

One-gallon containers (four per case)
Five-gallon pails
55-gallon drums

REPLACING HAZARDOUS SOLVENTS WITHOUT COMPROMISING EFFECTIVENESS
