

Bio T[®] Max

THE ULTIMATE CONCENTRATED CLEANER

Formulated for tough cleaning tasks:

- Biodegradable
- Non-toxic
- Non-corrosive
- Water dilutable
- High solvency power

Bio T[®] Max is a water dilutable formula that works hard. It effectively dissolves:

- | | |
|----------------------|---------------------|
| Heavy oil and grease | Lubricants/Coolants |
| Adhesives | Polishing Compounds |
| Inks | Wax |
| Latex residues | Asphalt |

REDUCES CONCERNS

Bio T[®] Max reduces concerns about safety, the environment, and regulations.

Bio T[®] Max is biodegradable, non-toxic, non-corrosive, and free of chlorinated solvents and petroleum distillates. It's the eco-friendly alternative to hazardous solvents - safe for workers and the environment.

Bio T[®] Max complies with major regulatory guidelines and alleviates the confusion and concerns associated with compliance.

AVAILABLE IN EASY-TO-HANDLE

- One-gallon containers (four per case)
- Five-gallon pails
- 55-gallon drums

CLEANS WITHOUT HARMING

Bio T[®] Max replaces aromatics, MEK, and petroleum distillates. It cleans without harming:

- | | |
|-----------------|----------|
| Enamel | Brass |
| Formica | Copper |
| Porcelain | Aluminum |
| Stainless Steel | |

Other surfaces found in industrial, automotive, and manufacturing settings

WASTES NO TIME OR MONEY

Bio T[®] Max reduces clean up time. Its concentrated formula goes to work quickly with little effort, allowing you to easily rinse with water.

Because Bio T[®] Max is versatile, it can be diluted for many uses, reducing the amount of solvents and SDS' in your facility.

REPLACING HAZARDOUS SOLVENTS WITHOUT COMPROMISING EFFECTIVENESS
