

RAILX[®]

Powerful Solvent for Railcar Cleaning

- Quickly Dissolves Crude Oil and Other Heavy Petroleum Contaminants
- Non-Toxic / Non-Corrosive
- Non-Hazardous / High Flash Point
- Replaces Hazardous Solvents
- Dries Residue Free
- Non-Aqueous
- High Solvency Strength
- Fresh Scent

DANGER:
Combustible liquid. May be fatal if swallowed and enters airways.

Replacing hazardous solvents without compromising effectiveness.

RailX[®] was formulated for railcar cleaning during repairs and maintenance.

RailX can be used for valve cleaning, removal of all heavy hydrocarbon fouling, surface preparation for painting, and degreasing / cleaning of railcar components.

Please contact BioChem Systems for technical support and directions for your specific application.

- Removes heavy oil, asphalt, wax and other tough hydrocarbon contaminants.
- Ideal for use in parts washing applications – easily filtered and provides an extended bath life vs other common solvents.
- Dries residue free and does not require a water rinse.
- Solvency is approximately three times stronger than diesel.

DIRECTIONS:

1. Remove all loose dirt and soil prior to cleaning.
2. Apply RailX directly to the surface to be cleaned.
3. Let penetrate for 30 seconds to two minutes.
4. Wipe dry as needed. Drying process may be accelerated by heating parts with warm, dry air.

NOTE: Does not require a water rinse after cleaning.

DANGER: Combustible liquid. May be fatal if swallowed and enters airways. **PREVENTION:** Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Wear eye protection, face protection, protective clothing, protective gloves. In case of fire: Use carbon dioxide (CO₂), Foam, dry chemical, dry extinguishing powder to extinguish. **RESPONSE: IF SWALLOWED:** Immediately call a doctor, a POISON CENTER. Do NOT induce vomiting. **STORAGE:** Store locked up in a well-ventilated place. Keep cool. **DISPOSAL:** Dispose of contents / container to hazardous or special waste collection point, in accordance with local, regional, national and / or international regulation. **EMERGENCY TELEPHONE NUMBER PERS: (800) 633-8253**
