- Pine Scent

**DANGER:**  
Flammable liquid and vapor.  
May be fatal if swallowed and enters airways.  
Causes skin irritation.  
May cause an allergic skin reaction.  
Causes serious eye irritation.

Replacing hazardous solvents without compromising effectiveness.

# TarBuster®

- Quickly and safely removes asphalt, heavy oils, and other oil-based substances from a variety of surfaces.
- Ideal for use in pump sprayers, hand wipe applications, and for other industrial applications.
- Contains NO petroleum distillates or chlorinated solvents.

#### DIRECTIONS:

1. Where applicable, remove loose dirt and soil from surface to be cleaned.
2. Apply directly to the surface. (see chart below)
3. Let penetrate for 30 seconds to 2 minutes.
4. Agitate with brush or wipe with cloth.
5. Rinse thoroughly with water or damp cloth.
6. Repeat steps 1 through 5, if necessary.

**NOTE:** TarBuster is NOT for use in vapor degreasing equipment. It is NOT necessary to heat TarBuster for effective cleaning / degreasing. This product should be kept from freezing and temperatures below 40°F. When using in a pump sprayer, please use Viton™ or Teflon™ seals to extend the life of the sprayer.

Cleaning Application	Ratio - TarBuster to Water
Asphalt, Mastics, Waxes, Adhesives, Cosmoline	Full Strength
Sludge, Heavy Grease	1:4
Cutting Oils, Light Grease and General Purpose Cleaning	1:10
Floor Mopping and Machine Cleaning	1:20

When diluting, please add TarBuster® to water for best results.

**DANGER:** Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. **PREVENTION:** Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking. Use explosion-proof electrical / ventilating / lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Ground / bond container and receiving equipment. Avoid breathing mist / vapors / spray. Wash hands, forearms, and face thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves, protective clothing, chemical goggles, and face protection. Read precautions and directions carefully before using. **RESPONSE: IF SWALLOWED:** Immediately call a doctor or a poison center. Do NOT induce vomiting. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water / shower. If skin irritation or rash occurs: Get medical advice / attention. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical advice/attention. In case of fire: Use media other than water to extinguish. **STORAGE:** Keep container tightly closed. Store locked up in a cool, well-ventilated place. **DISPOSAL:** Dispose of contents / container to hazardous or special waste collection point, in accordance with local, regional, national and / or international regulation. **EMERGENCY TELEPHONE NUMBER PERS:** (800) 633-8253
