Tarpedo®

Destroys Coal Tar Sealer!

DIRECTIONS

Use full strength to remove ready mix and concentrated coal tar sealers, asphalt, adhesives, grease, oil and other tough contaminants.

*Protect plastic (Lexan™), rubber, waxed and other similar surfaces from overspray.

CAUTION: Product may damage surfaces like automobile headlights and taillights. If product is sprayed on these surfaces, rinse immediately with water.

1. Apply Tarpedo® directly to surface to be cleaned.
2. Use cloth or rag to wipe surface clean.
3. Rinse thoroughly with water.
4. Repeat as needed for heavy deposits.

DANGER: Flammable liquid and vapor. May be fatal if swallowed and enters airways. Suspected of causing cancer. Toxic to aquatic life with long lasting effects. **PREVENTION:** Do not handle until all safety precautions have been read and understood. Obtain special instructions before use. Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking. Use explosion-proof electrical / ventilating / lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid release into the environment. Wear eye protection, face protection, protective clothing, protective gloves. Ground / bond container and receiving equipment. **RESPONSE: IF SWALLOWED:** Immediately call a doctor or a poison center. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water / shower. Do NOT induce vomiting. If exposed or concerned: get medical advice / attention. In case of fire: Use media other than water to extinguish. Collect spillage. **STORAGE:** Keep container tightly closed. Store locked up in a cool, well-ventilated place. **DISPOSAL:** Dispose of contents / container to a licensed hazardous-waste disposal contractor or collection site except for empty clean containers which can be disposed of as non-hazardous waste. **EMERGENCY TELEPHONE NUMBER PERS: (800) 633-8253**

KEEP OUT OF REACH OF CHILDREN

WARNING: This product can expose you to Diethanolamine, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
