

VPRX2[®]

LOW ODOR

Powerful Technology for Cleaning and Degassing Railroad Tank Cars

- Quickly Dissolves Crude Oil and Other Heavy Petroleum Contaminants
- Eliminates LEL, H₂S, Benzene, and Other Gases
- Non-Toxic / Non-Corrosive
- Water Dilutable / Dispersible
- Optimized for Steam Injection
- High Solvency Strength
- Low Odor Formula

DANGER:

Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation.

Replacing hazardous solvents without compromising effectiveness.

VPRX2[®] was formulated for use with steam injection to quickly render tank cars gas and oil free, water wet, and safe for entry.

VPRX2 can also be used for hand-cleaning applications, circulation cleaning, spill cleanups, and cleaning / degreasing of rail car components during repairs or maintenance.

Please contact BioChem Systems for technical support and directions for your specific application.

DANGER: Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. **PREVENTION:** Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Ground / bond container and receiving equipment. Use explosion-proof ventilating, lighting, electrical equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing vapors, spray, mist, gas. Wash hands, forearms and face thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear eye protection, face protection, protective clothing, protective gloves. Take off contaminated clothing and wash it before reuse. **RESPONSE:** IF SWALLOWED: Immediately call a POISON CENTER, a doctor. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water / shower. If on skin: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice / attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. In case of fire: Use alcohol resistant foam, Carbon dioxide (CO₂), dry extinguishing powder, dry sand, dry chemical to extinguish. **STORAGE:** Keep container tightly closed. Store locked up in a well-ventilated place. Keep cool. **DISPOSAL:** Dispose of contents / container to hazardous or special waste collection point, in accordance with local, regional, national and / or international regulation.
